The Estate

Created in 2001 by wine growers going back four generations, Domaine La Løyane is a family owned vineyard cultivating 25 hectares in Rochefort du Gard, Tavel and Lirac.

Profiting from an exceptional geographical and geological setting, the vineyard is managed with respect for the environment with low yields from the oldest part of the property.

Winemaking

A blend of Viognier 40%, Roussanne 40% and White Grenache 20%. 20 year old vines are planted in mixed soils of clay, limestone and round pebbles. Grapes are mechanically harvested and vinification takes place in temperature controlled stainless-steel tanks, with regular stirring of the lees. The wine is matured in tank on its lees.

Tasting Note and Food Pairing

Serve as an aperitif or with shellfish, sushi, seafood or exotic fruit.
