## The One-Liner

Fantastic quality Italian vintage sparkler - elegance personified!

## Tasting Note

Fresh and elegant with white flower and citrus notes. The palate is complex with brioche and more citrus characters giving a lovely weight and texture. The mousse is fine and persistent.

## Producer Details

*Italian sparkling wine is not all about Prosecco, as leading Franciacorta producer Ferghettina has proved time and time again.*

Established in 1990 by Roberto Gatti - after buying a tiny winery and three hectares of vines from a family friend - Ferghettina has grown into one of the region's most prized Franciacorta producers.

In 2005 a new winery was opened overlooking the beautiful Lake Iseo and from here Roberto and his daughter Laura produce 300,000 bottles of wine annually from Chardonnay and Pinot Noir grapes. Meticulous attention to detail, skilful blending and long bottle maturation give Ferghettina's wines great finesse and individuality.

### In The Vineyard

The Gatti family manage 120 hectares of vineyards in six localities within the DOC. Milledì is produced solely from Chardonnay.

### In The Winery

Secondary fermentation is in bottle, and the wine spends 36 months on its lees.

### Food Recommendations

This will pair a number of grilled fish or poultry dishes - but also try with sushi.
