2014 Killerman's Run Grenache Shiraz Mataro

PLACE

Clare Valley.

The Killerman's Run Collection is masterfully composed from Kilikanoon's diverse vineyard sites and sub-regions, delivering an elegant and approachable style.

VITICULTURE

The 2014 vintage was generally a warm and dry one that provided ideal ripening conditions with which to maximise flavour enhancement and palate generosity. The Clare Valley's celebrated terroir and elevation instrumental in achieving the perfect ratio of fruit ripeness and natural acid retention, necessary to create wines of complexity and balance with real cellaring potential.

WINEMAKING

Made in a true Rhone Valley style, all of the components were vinified and matured individually in a range of seasoned French oak hogsheads for 16 months before final assemblage and bottling unfinned and unfiltered to further complement the wines appeal.
