The One-Liner

A bright, fresh Sauvignon Vermentino from the south of France.

Tasting Note

A wonderful and innovative blend of Sauvignon Blanc and Vermentino from Southern France. A deliciously refreshing change from straight Sauvignon Blanc, this wine blends aromatic Sauvignon with Vermentino giving a tangy, more complete flavour. The luscious exotic fruit aromas from the Vermentino are balanced by the clean, zingy fruit of Sauvignon, resulting in a wonderfully aromatic smooth dry white.

In The Vineyard

Both the Sauvignon and the Vermentino are planted on plots with ideal drainage conditions, on a mixture of silt, sand and alluvial deposit. The Sauvignon was harvested in late August, and the Vermentino from mid September.

In The Winery

Cold maceration on skins, followed by pressing and alcoholic fermentation on fine lees at a temperature of 16-18°C.

Food Recommendations

Best served chilled and ideal as an aperitif, but also complements seafood such as mussels, poultry and white meat dishes. The exotic flavours also complement Chinese and other oriental dishes.
